ABIGAILMICHAELS
CONCIERGE

To whom it may concern:

I am the Marketing Director at Abigail Michaels Concierge in New York City. We are a private 5 star concierge service with over 30,000 clients in both commercial and residential properties. Although most of our clients live in New York City, we also have buildings that we service in NJ, LA, DC and Chicago.

We have been working with Seamen's Moving since 2007, and I am happy to report that they have successfully moved hundreds of our very satisfied clients. Because of their A+ rating with the Better Business Bureau, Seamen's is Abigail Michaels's preferred moving company. We refer their services to residents across all of our portfolio's including: Manhattan Skyline, Atlantic Development, Related Management and Peter Cooper Village, just to name a few. Without stellar, responsible vendors, we would be nothing, so we are grateful for companies like Seamen's who can extend superb service to our clients which in turn, makes us shine!

I have personally have had the pleasure of working with Seamen's this past summer. As most moves are stressful, this one was particularly hard, due to unfortunate circumstances and Seamen's team did a meticulous job. The word "no" just is not in their vocabulary. Coming from a company that thrives on good customer service, we can say proudly that Seaman's is the real deal.

If you would like to discuss any concerns, I can be reached at 212-784-2390 x 810 during business hours.

Sincerely,

Nicole Leven
