To Whom It May Concern,

I have again had the pleasure of working with Seamen's Moving as they handled my father's Estate and I commend them heartily to you. They were involved with the closing of the apartment, where various items and furniture were going to many destinations, and it was done in the utmost professional manner. My entire family found them to be highly qualified, punctual, careful and courteous, and we will use them again without hesitation if the need arises.

Sincerely,
