Dear Dan,

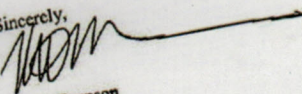

I'm writing to let you know what a pleasure it was to work with Seamens Moving during my move to New York City.

The team was very polite and professional. They packed my things and wrapped my furniture with great care. I was very impressed with how comfortable they made me feel the entire time they were working. Moving can be very stressful, and your team put me totally at ease.

When my furniture arrived at my new apartment, your men unloaded and unwrapped my belongings, and placed them exactly where I wanted. They even took away the boxes and trash so I didn't have to.

Thank you for the great service. I will certainly recommend you to my friends and colleagues.

Sincerely,

Attn: Michael

Dear Michael,

On December 8th your company moved my office from Greenwich to Miami, Florida. The three men, Ray, Ez and David, along with their supervisor Jay, were excellent. They packed and handled the computers, files, pictures and furniture with great skill. They were hard working, courteous and extremely pleasant to deal with. I would certainly use Seamen's for any future move.

Cordially,
